

EXHIBIT B

Software AS A Service Agreement Pricing Addendum

This Pricing Addendum and Schedule (“Addendum”) effective upon the Agreement Effective Date, documents the SaaS Services (defined below) being purchased by Client under the terms and conditions of the SaaS Agreement between ATM Holding Co., LLC Series D dba: ATLAS Clinical Evals Software (“ACES”).

1. SaaS Services:

- a. The SaaS Service includes tiered Subscription offerings
- b. Each registered ATP is allowed to have a maximum of two (2) Administrative users assigned to their account.

2. Subscription tiers:

- a. ACES’s hosted, internet accessible, on-demand ATP access services for ACES SaaS Service for:
 - 01-04 active subscriptions @ \$199.00 per month per subscription
 - 05-09 active subscriptions @ \$189.00 per month per subscription
 - 10-24 active subscriptions @ \$179.00 per month per subscription
 - 25-49 active subscriptions @ \$169.00 per month per subscription
 - 50-99 active subscriptions @ \$159.00 per month per subscription
 - 100 + active subscriptions @ \$149.00 per month per subscription

3. Subscription Term:

- a. The Term begins upon the execution of the SaaS Agreement and is subject to all the terms and conditions as described in This SaaS Agreement, Exhibit A, B, C.

4. Schedule Value: (all fees are in U.S. dollars and exclude applicable taxes)

- a. The total value of this Schedule is based on the Subscription tiers listed in #2 above. This fee includes access and usage of the SaaS Services during the Subscription Term for the defined number of subscriptions. All fees are due and payable on the SaaS Agreement effective date of each subsequent month of the initial and any subsequent terms of the SaaS agreement.

5. Subscription Adjustment

- a. Additional subscriptions may be selected from the Subscription tiers listed in #2 above. Any subscriptions added during the monthly billing cycle will be charged for the entire month. Client may elect to deactivate an individual from a subscription. Client may also elect to replace the individual deactivated with a new registration approved by ACES. Any deactivated users will require a new subscription to become active again.
